

August 31, 2015

To Whom it May Concern:

Sherwin Williams has been working with Juana Vargas with JRV Construction since 2005. Sherwin Williams is proud to say that we have a good working relationship with this fine company. JRV has painted several big apartment complexes in the Baton Rouge area and in other states. We appreciate their business and hope to continue to work with them form many years to come.

Sincerely,

Jason Pourciau
